

HOPKINTON MAIN STREET CORRIDOR PROJECT

CONSTRUCTION ADVISORY

MassDOT Project Number: 606043

Construction Advisory No. 91

August 9, 2024

Please be advised that this schedule may change due to weather and existing conditions found while performing the tasks below. This work may impact traffic and require lane and sidewalk closures limiting access to driveways and entrances to businesses.

What to Expect for the Week of August 12th to August 16th, 2024

- Overhead utility line transfer work continues on the west side of the project.
- Underground utility connections from property lines to building foundations
- Polar Vortex will be onsite to continue repairing the peeling paint on the traffic poles. Working hours are from 7am to 5pm. Locations for repairs are listed below:

Main Street & Hayden Rowe
Main Street & Church Street
Main Street & Grove Street
Main Street & Fire Station

Main Street & Pleasant Street
Main Street & Commonwealth Ave.
Main Street & Wood Street

- K Dupont will be onsite on Monday, 8/12 for a brick work mockup in front of Town Hall.

Detours or Alternating Traffic will be used as necessary.

Three of the six transformers initially delivered were installed by Eversource near the Town Common on Thursday, July 25th. The final six transformers have arrived and are in the testing phase by Eversource; no issues anticipated.

For the most up to date information about the Main Street Corridor project please visit the Town's project website at <https://hopkintonmainstreet.com>

The Town of Hopkinton appreciates your patience and consideration while we work to support MassDOT's project to revitalize our downtown infrastructure.
